- 16 yrs HISC RIB Refresher
- 16 yrs RYA Safety Boat
- 18 yrs Powerboat Direct Assessment

### Arrival Time

Unless otherwise agreed, we start all of our courses at 09:00am, please aim to be onsite and checked in with Reception 10-15 minutes early. If you are running late please call the office on 02392 463768

### What To Bring With You

**Suitable footwear** - boat shoes, trainers, boating boots/wellies (not open toes sandals or black soled trainers. Shoes may get wet, so a spare pair is advisable. Nice warm socks can make a difference in the winter!

**Warm Clothes, Hats and Gloves** - even on 'warmish' days you can get cold on the water or when you come ashore, so layer up.

**Waterproofs** - with waterproof clothing you shouldn't really get wet but it's worth having a change of clothes with you.

**Water Bottle** - you will be able to refill it at any of the water stations around the clubhouse.

**Sunglasses and Sun cream** - even on overcast days the glare from the water can be significant. One day in the sun at sea is worth 3 days of sun on the beach so SPF up!

**Classroom Materials** - there is some classroom work involved in all of these courses.

### Food and Drink

The Beach Bar will be open at the weekend to purchase lunches or you are welcome to bring your own.

We look forward to welcoming you on your course, if in the meantime you have any questions please don't hesitate to contact us on 02392 463768 or email [reception@hisc.co.uk](mailto:reception@hisc.co.uk)
