

HISC Boat Registration, Parking and the Wait List

1 General

The Marine Manager is responsible to the Sailing committee for allocating space in the dinghy park in accordance with the regulations detailed below.

The dinghy park offers storage for members' dinghies, windsurfers, RIB's and tenders.

The space in the dinghy park shall be managed in a way that promotes participation in dinghy sailing.

Neither the Club nor any person acting on the authority of the Club shall be liable for any loss or

damage to any boat or other equipment that is moved in accordance with or as a consequence of the HISC dinghy park regulations.

3 Definitions

Recorded Active Use

Details of active use are maintained by the Club for events organised by HISC. Any other use should be recorded in the Cruising Log at reception.

Boats participating in Club Racing must ensure they follow appropriate signing on and off procedure in order for the activity to be recorded as an "active use" event.
