De-hibernation service at HISC

The De- hibernation service provides HISC members the opportunity for their boat to be prepared ready for the new sailing season. It is aimed at our long distant members who find it difficult to find time to sort out their boat at the beginning of the season. Before long it's mid - June and half way through the sailing season!

The service cost is £45

- Wash and clean the hull. (Boat cover optional)
- Inspect the kicker, Cunningham and outhaul control lines. Prepare a list for replacements if required.
- Inspect Mainsheet, Jib and Spinnaker sheets. Check toestraps and elastics.
- Clean pulleys, blocks, cleats and fittings to working order. Prepare a list for replacements if required.
- Dig boat out of the sand if required and pump up trolley tyres.
- Half or One day 'Back on the water' coaching (additional charge)
