Testimonials

I just wanted to add a personal note of thanks to the whole team at HISC for helping organise our event at such short notice and for providing a really great day for the whole team. The sailing was a big hit and the food as always delicious. The Caesar salad was a particular winner.

We all really enjoyed it, and the visitors were very impressed with everything from the clubhouse, through to the food and staff. Having dinner in the lounge bar worked perfectly. We had so many compliments and someone has expressed an interest in joining the club, so we'll keep in touch with him on that. The Beef Wellington was particularly special, and everyone except one managed to polish it all off!
