**An afternoon of marine design,
innovation and intriguing
anecdotes with Clive Dent.**

Professional Marine Designer & Engineer
Clive will be sharing fascinating stories from
his career in marine design, engineering and
production, spanning 1969–2019.

Expect an interesting insight into changing
design processes, new materials and
construction techniques, along with some
intriguing anecdotes from his years in the
industry.

**Since 2023, Clive has also been designing
and building his own 5m plywood skiff at
home on Hayling Island.**
