

# General information for visiting sailors

## On arrival

**Office opening hours:**  
09.00-17.00 seven days a week.

### Entry Gate:

If you enter an event online, you will be sent a 4 digit entry code valid from the day before the event begins. If you expect to arrive earlier and out of office hours, please call the club in advance.

### Car and boat parking:

There is ample free parking within the club boundaries. Please follow any instructions on where to park your car and boat.

## Sailing

### Launching facilities:

There is suitable launching space for large fleets. Please leave launching trolleys clear of the slips – and if launching at low water, above the high tide line (you would be amazed how many forget!)

### RIB's:

Visiting RIB's are to launch at the slip closest to the flagpole. A winch is available here. A daily charge applies for visiting RIB's. The office must be advised of visiting RIB's in advance.

### Chandlery:

Harbour Chandlers have a shop on site which will be open during all events.

### Sailing Waters:

Most events are sailed in Hayling Bay. In extreme conditions some events may be sailed in Chichester Harbour.

### On shore:

Small lockers for valuables are available in the reception area. A £1 coin (refundable) is required.

## Entry information

NOR and all event information is available on the HISC web site.

On arrival our Office will provide entry information and any further information you require.

## Accommodation

A variety of accommodation types is available on site priced from £19 per person per night. Details are available from the HISC office and on the website.

Due to local council restrictions we are unable to offer camping, caravan or camper van facilities on site. Local campsites are available within 3 miles of the club. The club office can provide a list of local B&Bs.

## Food and Drink

### Breakfast: 08.00-10.00

HISC's Famous Five breakfast £2.75

### Snack Bar: 10.00-17.00

Hot meals from £4.00  
Rolls from £2.00
